IMPORTANT ANNOUNCEMENT AMENDED AND RESTATED ASSOCIATION BY-LAWS

Dear Association Member:

The Board of Directors has been working to amend and restate the Hyalite Foothills Landowners' Association's Bylaws so that they are modernized and follow current State of Montana statutes. This will allow the Association to continue to function properly. We have been working with a local law firm to prepare the amended and restated bylaws. Please note that these are revisions to be *bylaws*, not revisions to the *Covenants*.

So, ***now it is your turn to help***. The proposed amended and restated By-Laws are available online as follows:

- (1) Clean version of proposed amended and restated By-Laws at <http://bit.ly/2PZscTn> ; and
- (2) Red-line version of draft amended and restated By-Laws at <http://bit.ly/2JegEel>

If you can not access these files online, please email us at info@hyalitefoothills.org or call us at +1 406 285 8850 so that we can have a printed copy delivered to you.

We want your comments. We will be taking written comments via:

- (1) Email to: info@hyalitefoothills.org or
- (2) Mail to:

Hyalite Foothills Landowners' Association
P.O. 1994
Bozeman, MT 59711

On Thursday, June 13th at 7:00 PM, we'll be holding a public meeting at Anderson School for any additional discussions that Members would like to have with the Board regarding the proposed amended and restated bylaws.

On or around July 1st, we'll be mailing the final version of the amended and restated bylaws, along with a ballot for you to vote on adopting the new bylaws.

We hope that everyone enjoyed the wonderful Montana winter and that the amended and restated bylaws make sense and look good.

With regards,

Sean Burrows, President
